

B. Pursuant to 215 ILCS 5/208(1), the Liquidator shall notify all persons, companies and entities, as hereinafter set forth, that Statewide's books and records reveal may still have claims against Statewide, its property or assets, or against a Statewide insured, that all such claims must be filed with the Liquidator, in the form of a proper proof of claim as hereinafter set forth, on or before March 31, 2014. Those claimants who previously filed claims that have already been evaluated, determined and fixed by the Liquidator and approved for allowance or disallowance by this Court, may not re-file their claims, unless they have evidence of additional losses that were not previously presented to the Liquidator for consideration. Those claimants who previously filed claims after the original claim filing deadline (late claims) that were not evaluated and determined, need not re-file their claims unless they have evidence of additional losses that were not previously presented to the Liquidator for consideration.

C. The Liquidator's notice shall specify March 31, 2014, to be the last day by which all such proofs of claim may be filed with the Liquidator for the purposes of participating in any distribution of Statewide's surplus assets that may be made on new timely-filed claims allowed in these proceedings. For purposes of these claim filing procedures, a claim shall be treated as filed as of the date it is actually received by the Liquidator. A claim shall also be deemed to have been filed as of the United States Postal Service's postmark date if it is mailed, or the date of delivery to a private mail courier for delivery to the Liquidator, as evidenced by a validly issued receipt from that courier.

D. The notice of the new claim filing deadline and procedures shall be served upon those persons, companies and entities that Statewide's books and records reveal may have claims against Statewide, its property or assets, or against an Statewide insured, by the Liquidator depositing a copy of the notice in the United States mail, enclosed in an envelope, with first class postage prepaid, addressed to each such person, company or entity at his, her or its last known address as disclosed by Statewide's books and records.

E. Pursuant to 215 ILCS 5/208(1), the Liquidator shall also provide notice by publication to all persons, companies or entities who may still have claims against Statewide, its property or assets, or against an Statewide insured, by causing a notice to be published once each week for three consecutive weeks in a newspaper published in the County of Cook, State of Illinois. The notice so published shall advise all such persons, companies and entities: (a) of their right to file their claims with the Liquidator; (b) of the procedure by which they shall file their claims; (c) that, if they previously filed claims with the Liquidator that have already been evaluated, determined and fixed by the Liquidator and approved for allowance or disallowance by this Court, they may not re-file their claims, unless they have evidence of additional losses that were not previously presented to the Liquidator for consideration; (d) that, if they previously filed claims after the original claim filing deadline (late claims) that were not evaluated and determined, they need not re-file their claims unless they have evidence of additional losses that were not previously presented to the Liquidator for consideration; (e) of the location of the Liquidator's office where they may file their claims; and (f) that March 31, 2014, is the new claim filing deadline, the last day by which proofs of claim may be filed for purposes of participating in any distribution of Statewide's surplus assets that may be made on the new timely-filed claims allowed in these proceedings.

F. All persons, companies or entities who may still have claims against Statewide, its property or assets, or against an Statewide insured, shall file their claims with the Liquidator, as set forth above, on or before the March 31, 2014 claim filing deadline, by way of a properly completed proof of claim. Pursuant to 215 ILCS 5/209(1), a proper proof of claim shall consist of a signed statement, setting forth the specific claim. Pursuant to 215 ILCS 5/209(1), whenever a claim is based on a document, the document, unless lost or destroyed, shall be filed with the proof of claim and, if the document has been lost or destroyed, a statement of that fact and of the circumstances of the loss or destruction shall be included in the proof of claim.

G. Subject to the provisions for the late filing of claims contained in 215 ILCS 5/208, no person having or claiming to have any claim against Statewide, its property or assets, or against an Statewide insured, shall participate in any distribution of Statewide's surplus assets that is made on new timely-filed claims, unless proofs of claim are filed by the March 31, 2014 claim filing deadline.

H. Pursuant to 215 ILCS 5/209, the Liquidator shall examine and investigate properly filed proofs of claim and submit his recommendations as to the allowance, in whole or in part, or the disallowance of each such claim to this Court for its consideration.
